

# INTERIM SERVICE

## Your Public Health Action Support Team

PHAST is your dedicated partner for public health expertise, working to improve community health and well-being.

# Are you facing challenges due to limited resources, stretched capacity, or the need for temporary support while recruiting a permanent candidate?

## What do we offer?

PHAST offers a reliable and efficient solution by providing high-quality, referenced public health candidates.

As a social enterprise founded by Public Health Professionals, we uphold the highest standards of governance, equality, and quality assurance. You can trust us to deliver a quality solution tailored to your needs.

## Why choose us?

PHAST has experienced Public Health Consultants who can be called upon, even at short notice. Whether you require specific skills or expertise, we are here to assist.

Our extensive database comprises a wide range of Public Health candidates suitable for various levels of interim or short fixed-term contracts.

We can supply Public Health Directors, Consultants, Analysts, Specialists, Economists, and Public health teams to provide strategic support.

**We have your Public Health requirements covered.**
